

**Clare Watchorn**

I'm Clare Watchorn and I was appointed as a Parent Governor in January 2016, I sit on the Strategy Committee and I'm the Link Governor for the Nursery.

My background is in business management, finance and compliance. Since having children I have become more interested in understanding Education and in 2011 completed the Certificate in School Business Management.

I have worked as a Facilities Manager in a secondary school, since 2010 I've been the Clerk to the Governors for two primary schools and more recently a committee member for a charity preschool.

I believe Mrs Levy and her team work very hard to provide an excellent learning environment for all the children in our school and instil values to help the children grow into confident individuals. I am committed, in my role as a Governor, to support Mrs Levy and the school.
