

Jason Mayo

My name is Jason and I'm a Parent Governor. I have two daughters at the school and strive to support the school wherever possible. I've lived in Peterborough for over 30 years and know the area well.

I'm currently an Account Manager and use this and my previous experience from roles within the private sector to aid Old Fletton Primary School on its journey to outstanding status. I see my role on the Governing Body as giving something back to our community.

I believe in the ethos of the school and its CARE values and appreciate the strong leadership of the Head Teacher and her team. I am extremely pleased with the progress of my girls and feel that a particular strength of the school is that the children are set goals that they understand and that they strive to achieve within a fun and welcoming atmosphere.
