

# OLD FLETTON PRIMARY SCHOOL

Weekly Update - Tuesday 7th May 2024

## Celebrating Success

Congratulations to Harriet in Year 6, who took part in a sparring competition at Inspire Martial Arts on Sunday 28th April. She embraced the challenge of competing in her first competition and due to her hard work and dedication she achieved first place - well done Harriet! Not only is this a fantastic achievement, it also meant that Harriet has qualified for the next stage of the competition. We hope she aims high and is successful - good luck Harriet.

Congratulations to Harriet's brother Isaac as well, who achieved third place in his Karate group at the same competition!

I am also delighted to be able to share with you the outcome of a recent visit by the WalkThrus team. They have looked in detail at how teachers deliver their lessons and fed back that the consistency in teaching and the quality of implementation is some of the best they have seen in their work across the country.

## Respecting One Another

Please could I ask all parents and carers who use the visitor's car park to ensure that they are appropriately supervising their children as they are entering and leaving the premises. There have been two incidents this week when other parents have had to take action to avoid an accident. Whilst I appreciate this space can get very busy, it is parents' responsibility to ensure their children are behaving in a safe manner when in the car park.

## Embracing a Challenge

It has been fantastic to see our oldest students working with such diligence, maturity and focus as they prepare for the Year 6 SATs. Many children have been choosing to complete additional work both at home and during lunchtimes. This level of dedication has been wonderful to see and shows they have a fantastic attitude to learning which will stand them in good stead for SATs week and as they transition into secondary school. Keep up the hard work, you've been amazing!!
