

# OLD FLETTON PRIMARY SCHOOL

Weekly Update - Monday 25th March 2024

## Leadership Changes for the Summer Term Only

In case you missed the letter sent out this week, please see the information below regarding my secondment to the OWN Academy for the summer term.

As you are aware, I am currently seconded to the OWN Academy Trust on Mondays and during this time Mr Dickson is the Acting Headteacher. The OWN Trust have approached us to increase this working relationship for one term only to enable me to support them as Director of Education as they develop a larger piece of work.

This has been approved after careful consideration and discussion with all leaders in school and our governors. Mr Dickson will be full-time Acting Headteacher for the Summer Term and I will retain strategic oversight of the school and be available to Mr Dickson should any need arise. There will not be any significant changes noticeable, as our strategic vision for the school year was set in September and is being implemented well, with leaders at all levels in school being confident that they can continue to complete the work as scheduled.

As always, Mr Dickson and myself are available to discuss any queries you may have, either on the playground in the mornings or you can email the office with times you are available for a call and one of us will call you back at a mutually convenient time.

## Science Week 2024

We had a wonderful Science Week - please see below for some photographs of our fabulous scientists and the activities they enjoyed.

## Healthy Snacks

I mentioned this at the start of the year but it has been noticed that children are continuing to bring in unhealthy snacks for their break-time. We need to promote healthy eating and discourage crisps, cakes, chocolate and biscuits please. We do provide fruit for children in Key Stage One.

## Diary Dates

### Tuesday 26th March

Easter lunch

### Wednesday 27th March

Nursery stay and play

### Thursday 28th March

Last day of Term

### Monday 15th April

First day of Summer Term

### Thursday 18th April

Group Photographs

### Week Commencing 22nd April

Parent-Teacher Consultations

## Attendance

RSK	95.0%	3EB	86.2%
