

Jigsaw Jaz's Journey

role

Being Me In My World

What are choices and consequences and why do we need them?

voting

included

I will learn about...

- How to use my Jigsaw Journal
- How my attitudes and actions make a difference to others
- How I and others fit into my school community
- What democracy in school means and how to make my school a happy place
- How to work well with others
- What it means to empathise with others

democracy

excluded

I will explore...

- How it might feel to be included and excluded from a group
- How I can make others feel welcome and valued
- How I can work cooperatively with my peers
- How to show care towards other people's feelings
- My choices in following the Learning Charter

Jigsaw Jaz's Journey

How could you help others be more democratic?

Can you name the different roles people have in our school?

My Thinking Pad

What have I learnt in this puzzle that helps me in our world?

Being listened too is important because...

Listening to others is important because...

Being democratic helps me and others to feel valued because...

What makes our school a community?

Being Me In My World
