

OLD FLETTON PRIMARY SCHOOL

Weekly Update - Monday 28th September 2025

We are thrilled to share the success of our **Autumn Fayre**, held on **Friday, 26th September**! It was an afternoon filled with laughter, fun and a wonderful sense of community. We want to take this opportunity to thank everyone who contributed, attended and helped to make this event one to remember.

A Day of Fun for All Ages!

The sun may have been a bit shy but nothing could dampen the spirits of our fantastic students, families and staff. Our playground was transformed into a vibrant celebration with a variety of stalls, games and delicious treats.

- Students showcased their creativity with fantastic homemade crafts and jewellery which were a huge hit with visitors! As were the collectable cards!
- The cake stall was brimming with delicious goodies—thank you for all the donations made.
- The bouncy castle was in full swing and the games and prizes kept everyone entertained.
- The Tombola was a sight to behold! Thank you to all who donated prizes, there were so many! and to those who queued for a turn.. almost everything was won!
- And the Indian Food stall served up mouth watering samosas and bhajis - absolutely fabulous!

Thank You!

A massive thank you to all the staff, parents and volunteers who gave their time to make this event so successful. Your contributions, whether in the form of baking, donating prizes, setting up stalls or simply attending, are deeply appreciated.

Fundraising Success

Thanks to the generosity of our community and the hard work of our volunteers, we raised an impressive amount which will go toward school activities. With the money, the Old Fletton Community Group will help enrich the curriculum for our children. We couldn't have done it without your support!

Once again, thank you to everyone who made the day so special. We look forward to continuing to build this amazing community together!

Marvellous trouble-shooting for parents:

1. Check for app updates - make sure you are using the latest version of the Marvellous Me app.
2. Clear app data and cache - go to your device's Settings > Apps & notifications (or just Apps on some devices), find the Marvellous Me app, select it and close Storage, clear the app's cache and data
3. Restart your device - this often helps apply the changes fully
4. Try logging in again.
5. A workaround would be to use your device's browser and access the parent portal at <https://parent.marvellousme.com/>
