

OLD FLETTON PRIMARY SCHOOL

Weekly Update - Monday 17th November 2025

Weekly Update – Super Powers, Science, and Shared Responsibility

Despite the wet and windy weather bookending our week, it's been a super one here at Old Fletton! We've laughed, learned, reflected, and continued to show what makes our school community so special – even as we brace for the colder days ahead.

Celebrate Success - A "Super" Week – Celebrating Anti-Bullying Week

This week we marked Anti-Bullying Week by reminding children that they all have super powers – the power to be kind, caring, considerate, and to make other people's lives better through small actions. Classes got stuck into the theme by collecting superpower badges and decorating their classroom doors with odd socks to celebrate the beauty of our differences.

Of course, it wouldn't be a Fletton celebration without a little humour – Miss Dudley and Mrs Gunn may have slightly misinterpreted the brief and came to assembly dressed as full superheroes rather than just talking about superpowers! Their costume-clad message was met with roars of laughter from pupils and staff alike, but it absolutely worked – the message was clear, memorable and full of fun.

Aim High - Science Podcasts to Spark Curiosity

Mrs Maxwell would like to share some brilliant science podcast recommendations that families can enjoy together at home. These episodes are fun, engaging and sure to get young minds thinking:

- Cold Worlds – Why do some planets burn while others freeze? <https://omny.fm/shows/fun-kids-science-weekly/cold-worlds-why-some-planets-freeze-and-others-burn>
- Tiger Stripes – What are they and where do they come from? <https://omny.fm/shows/fun-kids-science-weekly/sciw-23rd-august-normal-edit>
- Midweekly: How do clouds stay in the sky? <https://omny.fm/shows/fun-kids-science-weekly/midweekly-how-do-clouds-stay-in-the-sky>

There are lots more on the [Fun Kids Science Weekly](https://www.fun-kids-science-weekly.com/) website if you'd like to explore further!

Respect - People

Talk to Us – We're Here to Help

Just a gentle reminder that members of staff are on the school gates each morning and afternoon. If you have a question, a suggestion, or something's been niggling at you – please come and speak to us. We're always happy to listen and resolve things quickly. Let's work together to keep our communication open and solutions-focused.

Parking – A Continued Concern

Councillor Jade will soon be visiting school to speak with me about ongoing parking issues, as we've once again received frustrated and upset feedback from local residents. Please, consider our neighbours and their right to safely access their homes. Parking across driveways, double parking and – worse – responding aggressively to being approached by residents is not acceptable. You are your child's role model. How we speak, act and drive matters. Let's continue to show the community that Old Fletton families are respectful, responsible and considerate.

Embrace a challenge

Let's keep bringing our own sunshine, no matter the weather. Thank you for your continued support, your smiles on the gate and the many ways you help make this school a special place for our children.

Diary Dates

Y6 New Theatre - Author

Monday 17th November

Reception Careers Day

Wednesday 26th November
(Information will be sent near the time)

Y6 Harry Potter Trip

Friday 28th November

Y1 & Y2 Christmas Production

Year 2 parents - 4th December 2.15pm
Year 1 parents - 5th December 2.15pm

Flu Vaccinations

Monday 8th December

Y4 New Theatre - Snowman

Tuesday 9th December

Rocksteady Concert

Friday 12th December

Reception Christmas Production

Tuesday 16th December

Last Day of Term - Friday 19th

December

Attendance

(10th Nov - 14th Nov)
