

OLD FLETTON PRIMARY SCHOOL

Weekly Update - Monday 23rd March 2026

There are definitely signs of the new season around us, and a lovely reminder of this at the start of the week. I arrived to see two of our Nursery families enjoying a game of hopscotch together in the sunshine before the gates had even opened. It was a real pleasure to observe — such a simple, joyful moment — and it truly started the week with a spring in our steps! (Weather pun intended!).

C – Celebrate Success

It has been another positive week in school. We'd like to thank you, wonderful parents and carers, for supporting the school by purchasing books from the book fair. We have raised a whopping £477 for the school thanks to you!

A – Aim High

Moving forward with the recruitment of our Deputy Headteacher, the advert is now live. This is an important step as we continue to strengthen leadership and aim high for the future of the school. Sports Week, starting on 1st June, is generating excitement at the school. It's a fantastic chance for children to challenge themselves try new activities and develop teamwork. We'll share more details soon.

R – Respect People, Property, and the Environment

We would like to take this opportunity to thank and recognise members of our staff. Mrs Lunn will be leaving us to take up a new role after nearly five years at Old Fletton. We are grateful for her contribution and wish her every success in the future. We also send our very best wishes to Mrs Symonds, who is expecting her second baby. She has made the decision not to return to school so that she can focus on her growing family, and we wish her all the happiness in this next chapter. I am pleased to share that Miss Bi has been offered a permanent role to continue in our school as a valued member of staff.

E – Embrace a Challenge

As always, we continue to encourage our children to embrace challenges — Children are continuing to show pride in their learning and how they represent Old Fletton. Our football team played Newark Hill Primary, although the result did not go our way, the children played incredibly well, showing determination, teamwork and great sporting behaviour — we are very proud of them.
