

OLD FLETTON PRIMARY SCHOOL

Weekly Update - Monday 11th May 2026

It has been another busy and positive week at Old Fletton, with lots to celebrate across the school community.

C – Celebrate Success

A huge well done to our football team, who have had an excellent week of fixtures. The team produced a tremendous attacking performance against Southfields Primary School, securing a fantastic 5–2 victory. They followed this with an equally impressive display against league leaders Market Deeping Primary School, winning 1–0, showing outstanding determination and defensive resilience throughout the match.

A – Aim High

Last week, Mr Dickson and the Reception teachers visited two schools in London to look at different approaches to the Early Years curriculum, including one school achieving exceptionally high outcomes. The visit sparked many positive discussions and provided lots of exciting ideas as we continue to enhance our own EYFS provision at Old Fletton. We are always striving to learn, improve and provide the very best start for our children.

R – Respect People, Property, and the Environment

Please can we remind families to ensure children arrive at school on time and are collected promptly at the end of the day.

Beginning of the day - Gates open: **8:40 am** Gates close: **8:50 am**

Children arriving after this time, need to come to the school office to be signed in. Please remember that registers close at **8:55 am**, and children arriving after this time will receive a late mark.

End of Day - Gates Open: **3:10pm**

School Day Finishes:

- **3:15pm** – EYFS, Years 1 and 2
- **3:25pm** – Years 3, 4, 5 and 6

Please remember that registers close at **8:55 am**, and children arriving after this time will receive a late mark.

E – Embrace a Challenge

Governors met last week and discussed the increasing financial pressures schools continue to face, particularly around the rising costs of food and energy due to the current economic climate. As a result, the cost of a school dinner will increase to £2.50 from September.

We also continue to heavily subsidise educational visits to ensure children can access a wide range of enriching experiences. However, with school budgets becoming increasingly stretched, this is becoming more challenging. We therefore kindly ask families to support trip contributions where possible, as visits may not be able to go ahead if sufficient contributions are not received.

Thank you, as always, for your continued support and understanding.

Diary Dates

W/C Monday 11th May
Year 6 SATs

Wednesday 13th May
Reception Camping Event

Monday 18th May
Reception & Year 6 - Height & weight checks
