

OLD FLETTON PRIMARY SCHOOL

Weekly Update - Monday 18th May 2026

As we head towards half term, there has been so much to celebrate across the school.

🌟 Celebrate Success

A huge well done to our Year 6 children, who have worked incredibly hard during their SATs this week. Not only have they approached the assessments with maturity and determination, but the preparation beforehand and the attitude shown afterwards has been equally impressive.

The children demonstrated real enthusiasm, resilience and dedication throughout the week, and we are very proud of the calm and positive way they represented themselves and our school.

🎯 Aim High

A reminder for our Year 4 families that the Multiplication Tables Check will take place next half term. The children have made fantastic progress with their times tables this year, and we would really encourage regular practice over the break so they can confidently showcase just how amazing they are.

Little and often really does make a difference — even a few minutes each day helps build speed and confidence.

🤝 Respect People, Property and the Environment

As the weather becomes warmer and brighter, we ask families to continue to park thoughtfully and considerately at drop-off and collection times.

Where possible, it would be wonderful to leave the car at home and enjoy a walk to school. Not only does this help reduce congestion around our site, but it also supports children's wellbeing and helps keep our local community safe and pleasant for everyone.

💪 Embrace a Challenge

While we hope everyone enjoys a restful and fun half term, we would also love children to continue building their reading habits over the break.

Just 15–20 minutes of reading each day can make a huge difference, helping children return ready and excited to quiz on Accelerated Reader when they come back to school.

We are incredibly lucky to have [Woodston Library](#) so close to our school' such a valuable community resource and a brilliant place to explore new books together as a family.

Diary Dates

Monday 18th May - Reception & Year 6 height & weight check

Monday 25th - Friday 29th May
Half Term

W/C Monday 1st June - Sports week

Wednesday 3rd June - Reception New Parents Meeting
