

OLD FLETTON PRIMARY SCHOOL

Weekly Update - Monday 22nd June 2026

🎉 Celebrate Success

We're so happy to share some promising news from our Year 1 Phonics Screening! This year our staff and students have been putting in a tremendous effort and we're thrilled to anticipate an incredible predicted 87% pass rate. A strong grasp of phonics is a fantastic foundation for learning particularly in reading and writing and we're incredibly proud of how far the children have already come. Let their reading journey continue to go from strength to strength!

🎯 Aim High

It has been a wonderful week for both our girls' and boys' football teams, with fantastic performances and results!

Our girls' team played a brilliant 5-3 victory against our neighbours, Woodston Primary School. They showed great determination, teamwork and resilience throughout the match.

Our boys' team also played well, winning a convincing 4-0 against St John's Church School (Orton).

Great work teams!

👏 Respect People, Property and the Environment

A reminder regarding school uniform: there is currently a growing amount of unnamed clothing in the "shed of doom". This will be replaced and relocated in the new academic year with a more sturdy solution. Please ensure all items of school uniform are clearly named. This allows us to return lost items to their rightful owners and reduces unnecessary loss.

Also, a reminder that Crocs are not suitable or safe footwear for school. We ask that all pupils wear appropriate school shoes that support your children's feet throughout the day.

💪 Embrace a Challenge

As the weather warms up, it can be a bit harder to focus on learning when the heat is around. Could we please make sure children come to school ready with:

- Suncream applied before school
- A named water bottle
- A sun hat
- Light and sensible school uniform

Staying hydrated and protected from the sun will help children remain comfortable and ready to learn throughout the school day.
