

OLD FLETTON PRIMARY SCHOOL

Weekly Update - Monday 29th June 2026

What a fantastic week we've had at Old Fletton! There has been so much happening both in and out of the classroom, and despite the soaring temperatures, our children continued to be amazing!

🎉 - Celebrate Success

A huge congratulations to our Year 6s, who entered the Microscopes for Schools competition. Their imaginative entry, entitled "Dead Fly", was awarded 3rd place – a fantastic achievement! We are incredibly proud of their curiosity, scientific thinking and creativity.

🎯 - Aim High

Our Key Stage 2 "Great British Sports Day" was a tremendous success and ran seamlessly. A huge thank you goes to Mrs Gunn, whose careful planning and organisation ensured the Morning was enjoyable for everyone.

Whether children were competing, cheering on their teammates, or encouraging others to keep going, they gave their very best. Congratulations to all four teams the results are ➡

🤝 - Respect People, Property and

the Environment

Our children have once again been wonderful ambassadors for Old Fletton whilst learning beyond the classroom.

Year 2 enjoyed a fantastic visit to Warwick Castle, bringing their history learning to life, while Year 3 had an amazing adventure at Bewilderwood, developing teamwork, resilience and a love of the outdoors. Staff were incredibly proud of the children's behaviour, manners and respect shown throughout both visits.

💪 - Embrace a Challenge

Last week's heatwave posed challenges for us all. We had to plan carefully to keep children safe and comfortable while continuing learning. I thank all parents and carers for understanding the option for children to return home during the hottest afternoons. Your flexibility and support showed our caring community. Old Fletton always comes together in times of challenge and I'm grateful for that. With temperatures expected to rise again next week, there may be changes to the lunch menu to accommodate staff and children - we'll let you know if this arises.

We also want to let you know that, due to the continued rise in food costs and related expenses, we will need to increase the cost of school dinners to £2.50, from September. We've held off making this change for as long as possible, working hard to keep prices as low as we can, but this increase is now necessary for us to continue providing meals for the children.

Diary Dates

Monday 29th June - Sports day
9AM - 11:30AM (KS2)

Tuesday 30th June - Sports day
9AM - 11:30AM (KS1)

Wednesday 1st July - Sports day
9AM (Reception & Nursery)
