OFPS Updates

A huge thank you to all our parents and carers who have attended our new Coffee Mornings this half term. They have been a great success, and it has been lovely to see so many of you taking the opportunity to meet with staff. These mornings are something we would love to continue throughout the year, with different themes to keep them fresh and relevant. We are still working on finding the perfect location and ironing out a few teething problems, so thank you for your patience as we develop these sessions. We really enjoy the opportunity to work in partnership with our families and look forward to welcoming you to future Coffee Mornings!

We are pleased to let you know that the school now has a dedicated email address for attendance-related communication:

absence@oldfletton.peterborough.sch.uk.

Please use this address to report an absence, or alternatively contact the school via our usual absence line. The email address should also be used to send evidence relating to absences, such as doctors' letters or appointment screenshots, as well as completed leave of absence request forms. These forms can be found on [our school website](#).

We have noticed that a number of children are bringing smartwatches into school. Whilst we appreciate that these devices can be a useful way for families to monitor their child's location and help them feel safe, we ask that smartwatches are treated in the same way as mobile phones during the school day. All smartwatches should be handed to the class teacher in the morning and collected at the end of the school day. Thank you for your support in following this procedure and helping us maintain a safe and focused learning environment for everyone.
