

OLD FLETTON PRIMARY SCHOOL

Weekly update - Monday 28th September 2020

Latest news:

Thank you

I feel like I have said this a lot lately. Our community continues to be cool, calm and collected during these unprecedented times. The need for a bubble closure on Thursday was handled brilliantly by children, parents and staff. A huge thank you to everyone for your continued support. To ensure we continue to be as safe as possible can I remind you to leave the school site promptly at the end of the day to minimise unnecessary mixing of bubbles. Your child should remain with you at all times and not see the end of the day as an opportunity for extra play, particularly on the field.

Poor weather

The government raised the alert level to 4 last week reminding us all that the virus is not going away. Please ensure your child has warm clothes and a coat with a hood or an umbrella to protect themselves from the poor weather that lies ahead. 10 minutes may feel like a long time to line up if you're shivering and wet.

Technology questionnaire

Mr Dickson sent out a questionnaire to look at the technology and internet access that you have at home. This is hugely important information for us to enable learning at home as part of CLOOS and should we have to close a bubble. Our aim is to provide equipment or support where we can so that no child misses out. Please ensure you complete this questionnaire promptly.

Behaviour

The children have really impressed me with how quickly they have settled into routines and expectations of behaviour, spending some time in the first few weeks reestablishing our norms has really helped. We continue to have the highest expectations of behaviour including manners of all our children. The behaviour policy can be found on the school's website but simply put, the three steps are:

1. Remind
2. Remind again
3. Remove to reflect

Reminders:

Our safeguarding team is Ms Smith, Mrs Levy and Mr Dickson. Please chat to us on the playground or phone us if you have any concerns about the welfare of anyone in our Old Fletton family.

Attendance last week:

| | |
|-----|-------|
| RCH | 92.0% |
| RMK | 93.2% |
