

OLD FLETTON PRIMARY SCHOOL

Weekly update - Monday 19th October 2020

Latest news:

Happy Half Term!

I can honestly say the last seven weeks have flown by in a bit of a blur. The children have achieved so much since we returned in September, they embraced all their assessments and learning opportunities and are ready for a well deserved break. Have a happy, healthy half term everyone - stay safe and well. 😊

Covid is not going away

Sadly all of the news reports and latest information demonstrates we need to continue to be robust in our measures to keep safe. Where parents or carers refuse to follow our one way system or respect the drop off and pick up times we may have to refuse entry to the school site. I take my responsibilities of care extremely seriously and cannot and will not allow a very small minority of parents to show a disregard and lack of respect for the health and welfare of our Old Fletton family. For us to remain open the risk assessment approved by the local authority must be followed.

Communication with teachers

I know it is incredibly difficult in our new normal to have that same relationship with your child's class teacher that we have been used to. Drop off and pick up times are a good opportunity to have an informal conversation. Should you need to raise something that requires a longer, more detailed response please email the school office and the class teacher will call you at a convenient time.

Please do not email the class teacher directly via their work email or Teams (this includes the chat function) as this creates an unrealistic workload expectation on a primary school teacher. We will look at how we can hold a virtual parents evening in the future.

School photographs

As you can imagine we can only do individual photographs this year. These are taking place on Wednesday 4th November. PE will be cancelled that day to ensure everyone can look smart in their school uniform.

We look forward to seeing everyone after half term on Monday 2nd November.

New school website:

We are revamping our website as our provider calls it 'old and clunky'. If you have any ideas or suggestions on improvements or what you would like to see please email the office.
