

OLD FLETTON PRIMARY SCHOOL

Weekly update - Monday 9th November 2020

Latest news:

Our first week back proved a chilling experience as we had significant problems with our boiler. This did not deter the children from impressing me with their positive attitudes to learning and genuine joy of being back to school. The second national lockdown may have taken us all by surprise but I would like to thank you for the way you have followed our expectations on the playground particularly with wearing masks and how positively you prepared the children for the return after half term.

Harvest Festival and Food Bank

Thanks to your amazing generosity, we managed to collect 321kg of food for our local food bank. They inform us that is the equivalent of 730 meals. That is amazing and we should all be rightfully proud of ourselves!

Individual photographs

I know some of you were incredibly disappointed that this year we could not offer sibling photographs but would like to thank you for your understanding. The logistics of this would have been impossible due to covid restrictions and maintaining bubbles.

Lexia Core5

I have purchased this resource to enable our children to have a high quality reading experience at home that is personalised to their level of need. Following the first national lockdown many of our children are not at the reading level they should be. It is of paramount importance that this programme is used to support the children in reaching their full potential in reading. Sadly, only 115 out of the possible 227 children accessed this high quality resource during half term. I am personally looking at classroom usage and progress and will be asking individuals about their lack of engagement with this resource. Technology is often a barrier but we have solutions in school that we can use to help overcome them. Please contact us through the office email should you require help or support. Being able to read is the most important skill our children require for success.

Anti Bullying Week - As part of our continuing work on healthy relationships, we will be participating in the national Anti Bullying Week. On Monday 16th we will launch this by all wearing odd socks to school to show our uniqueness. We can't wait to see your choices!

Reminders:

Our neighbours have complained about inconsiderate parking by some of our families, in particular across their driveways. Please park responsibly and respectfully.

Attendance last week:

RCH	96.5%
RMK	98.3%
1JR	96.9%
1NG	97.9%
2AM	97.4%
2CC	97.0%
3EB	98.3%
3KL	98.3%
