1. Wearing Uniform

Many schools have a rule that children wear school uniform. Some children and parents are quite happy to follow these rules, but others disagree. On one side, wearing school uniform means that nobody looks smarter or more fashionable than anybody else. Also, having to wear a school uniform prevents children from asking for expensive fashionable clothes. Children, however, cannot show that they are individuals if they are all dressed alike. Furthermore, children grow quickly, so wearing a uniform means that they don't get the wear out of their ordinary clothes. In conclusion, there are many reasons both for and against wearing school uniform. It is important, whatever is decided, that every child feels comfortable with what they are wearing.
