

OLD FLETTON PRIMARY SCHOOL

Weekly update - Monday 22nd March 2021

Latest news:

Comic Relief

It was lovely to see an array of bright colours on a wet miserable day in March. A big well done to all of the Old Fletton community for raising our spirits in school as well as raising money for this worthwhile charity. We received donations totalling £349.50! Thank you everyone.

Consultation Evenings - week beginning 24th May

We will be sending letters out nearer the time for you to book your online appointments using SchoolCloud. These will be 10 minute appointments per child and will be an opportunity for you to discuss your child's learning and development with the class teacher. Feedback from many schools in Peterborough who have used this system is that it is an excellent time-saving way of engaging with the school and many schools in our cluster are going to continue consultation evenings this way even after Covid restrictions are lifted.

Parent Governor Election

There is currently one vacancy for a parent governor on our governing body. This is an excellent opportunity for you to be part of our strategic development as well as supporting and challenging the school as it seeks to continually improve. Please take some time over the Easter break to consider applying for this post, more details will follow on our return.

Relationships & Sex Education (RSE) Policy

Thank you for your contributions and work with Miss Dudley over the creation of our new RSE Policy inline with government guidelines. This was ratified by governors on Wednesday 17th March and is available on the school website. Also at this time you will be receiving letters regarding specific curriculum content being delivered during the summer term, please feel free to contact your child's class teacher or Miss Dudley if you have any questions. This is an important yet sensitive part of the curriculum and it is essential that we get this right for you and your family.

Technology Support for Homework

A reminder that Mr Dickson sent a letter on Friday asking you to complete a survey so that we know which families need technology support or devices to enable their children to complete their homework.

Reminders:

We are a nut-free school due to some children having severe nut allergies. Please do not send any products containing nuts (e.g. Nutella or Kinder Bueno snack packs) into school.

Attendance last week:

RCH	98.7%
RMK	100.0%
1JR	96.3%
