

# OLD FLETTON PRIMARY SCHOOL

## Weekly update - Monday 19th April 2021

### Latest news:

A lovely first four days back, we all seem to have a 'spring' in our step and the weather has been kind, I may even need my sunglasses for morning duty!

#### Covid restrictions

As wonderful as it is that the national data is improving and easing of lockdown restrictions are coming into force we will remain robust with our risk assessment and will not be easing any of our protocols. It is imperative that we all remain vigilant to the risks and mitigate them where possible so our expectation of the following measures will remain in place for the foreseeable future, most likely to at least the end of summer term:

- Staggered starts and finishes
- Mask wearing on the playground
- 2m social distancing

In school we will continue to prioritise additional cleaning, hand washing/sanitising and ventilation and year group bubbles will remain until the end of the academic year. I take everyone's health, safety and wellbeing incredibly seriously thus we will maintain our safety measures.

Parental feedback: could you please make sure that your social distancing etiquette of 2m is adhered to whilst queuing in and around school, resisting the temptation to queue jump to be with friends as it causes unrest and anxieties.

#### More baby news! (this seems to be a standing item on these updates)

Huge congratulations to Mrs Mortell and Mrs Lane on the announcement of their pregnancies. Our Fletton family just seems to keep growing and growing!

#### Parent governor vacancy

The election process will begin soon, please register your interest with the office by emailing [office@oldfletton.peterborough.sch.uk](mailto:office@oldfletton.peterborough.sch.uk) This is a great opportunity to help shape the future of the school. Should you require more information about the role I am more than happy to discuss this with you.

### Reminders:

As the sun is shining, please don't forget to ensure all items of uniform are clearly labelled as our trim trail often becomes the school clothes horse in the warmer weather!

### Attendance last week of term:

RCH	98.8%
RMK	96.3%
1JR	97.5%
1NG	95.4%
<b>2AM</b>	<b>100%</b>
