Discussions & Actions

1 Welcome and apologies

Mrs Levy welcomed all class representatives to the meeting.

2 Pupil Questionnaire

Mrs Levy shared and explained the results of the pupil questionnaire and asked which area they would like to focus on to improve. One of the lower scoring areas is 'Playtime is improving'. It was agreed that whilst playtime does not fall into the learning and teaching responsibilities of class representatives, the playtime experience does have an impact on learning in the classroom afterwards.

Class representatives will go and speak to their classes, reminding them of what has already been improved e.g. basketball and kingball and ask pupils 'How can we improve playtimes to make sure you have a positive time and be ready for learning when you come in from break?'

Ideas from each class will be shared and discussed at the next meeting.
