

OLD FLETTON PRIMARY SCHOOL

Weekly update - Monday 11th July 2022

Latest news:

The sun is shining and blimey it's hot! I do not wish to burst the bubble but it looks like we are heading towards a positive start to our summer holidays. I do hope you are able to spend some quality time with your families and that the weather continues to be kind. This year has flown by (I think I say that every year) but it is true, the phrase "time flies when you're having fun" certainly does apply. This will be my last weekly update for this year, I do hope you enjoy our final celebration magazine which will be coming home soon. Happy holidays!

Move Up

What a lovely start to our move up weeks! The children certainly do benefit from having this opportunity to be part of their new year group prior to breaking up for the holidays. It eases anxieties and makes sure that our curriculum offer remains robust until the last day.

Sports Week

This was a great opportunity for our children to embrace a challenge and try new things in the sports arena. A huge thank you to Mrs Gunn and Miss Forster who organised everything and ensured children had a great time. This is a busy time of year for all teachers and I appreciate the extra efforts they went to.

Pop Mime

What an entertaining evening! This event has sadly been missed during the covid closures and it was lovely to enjoy going back to an evening of singing and dancing. It certainly does spice up your life!!! 😊 I was incredibly impressed by the talents of our children and their commitment to putting on a good performance. Congratulations to everyone who took part and to our winner, Poppy.

Jubilee celebration books

It was always the intention that all children in the country would have a celebratory book. Due to delays and inconsistencies with deliveries we were cautious and distributed one copy per family. We have now received a further supply of these wonderful books in school so if you have more than one child in school and would like an additional copy for each of your children please contact the school office.

Summer holiday activity camps

Please see attached a flyer (on page 2 of this update) from Limitless Sports & Activities who have a number of free places for eligible children to attend their action packed multi-activity camps for 4 full weeks during the Summer holidays which will also include a meal.

To find out more please visit www.limitlessactivities.co.uk
